EDUCATION

University of Central Florida

Bachelor of Science: Mechanical Engineering

Graduation August 2024

Orlando, FL

- GPA 3.4/4.0
- American Society of Mechanical Engineers, Society of Automotive Engineers
- UCF Dean's and Presidents List Honoree multiple semesters

Olympic Heights High School

High School Diploma

Graduated May 2019

Boca Raton, FL

- GPA 4.15
- Engineering Program, National Honor Society, Spanish Honor Society

WORK EXPERIENCE

Vulcan Materials Company

Operations Intern

May 2022 – August 2022

Doral, Florida

- Utilize data-driven strategies to optimize operational processes.
- Manage supply chain operations, including demand forecasting and vendor relations.
- Enhance Standard Operating Procedures to improve workflows and safety.
- Develop and execute strategies for efficient resource allocation.
- Coordinate with departments to ensure project alignment.
- Conduct root cause analyses to address operational issues.
- Lead or participate in continuous improvement projects.

All Phase Services

SKILLS & INTERESTS

Certified SolidWorks CSWA

Certified Autodesk Inventor

Certified Microsoft Office (Word, PowerPoint, Excel)

CAD Design (SolidWorks, Autodesk Inventor, AutoCAD, Fusion 360)

Proficient in Adobe Photoshop

Fabrication (Soldering, Automotive)

Electronic Prototyping (Arduino)

Product Development

Involvement:

-Member of the American Society of Mechanical Engineers (ASME)

- Regularly attend meetings, workshops, and conferences focused on advancing the field of mechanical engineering. I actively participate in engineering competitions and collaborate with fellow members to develop innovative solutions to real-world engineering challenges.

-Member of the Society of Automotive Engineers (SAE)

- I engage in hands-on projects related to automotive engineering, including vehicle design, fabrication, and performance optimization. I actively contribute to team discussions, participate in workshops, and take part in local automotive events to expand my knowledge and skills in the field.
